## SUMMARY

A third year Software Systems Development student is seeking an internship for developer role to gain practical experience and apply programming knowledge to solve the real-life problem. I also willing to learn more. Internship Period : 26 Jan 2026 - 12 Jul 2026

---

## EDUCATION

### Bachelor of IT in Software Systems Development

Jul 2024 - Jul 2026(Expected)

Tunku Abdul Rahman University of Management and Technology (TARUMT)

- Current CGPA(Year 3 Sem 1): 3.8845

Relevant Technical Projects:

- **IoT Project:** Developed a smart-door access system using ESP32 microcontroller and integrated fingerprint recognition technology. IoT Data Visualization used Node-Red to process log data from Firebase and viusalize system status on a custom web dashboard.
- **Cloud Knowledge:** Gained knowledge and practical exposure to various AWS services (EC2, Load Balancer, RDS) through deploying a functional, scalable website architecture.

### Diploma in Computer Science

Jun 2022 - Jun 2024

Tunku Abdul Rahman University of Management and Technology (TARUMT)

- Graduate of a Diploma in Computer Science with a CGPA of 3.79
  - High achievement in subjects like Object-Oriented Programming and Database Development.
- 

## WORK EXPERIENCE

### Developer Intern, CHEN & CO TAX SERVICES SDN BHD

Nov 2023 - Jan 2024 | Ipoh

- Developed an automation solution using C# and SpreadsheetML (OpenXML-SDK) by reading structured data from MySQL and converting it into final spreadsheet reports.
  - Collaborate closely with two senior developers, contributing to code reviews and testing within the small team environment.
- 

## ADDITIONAL INFORMATION

- **Programming Language:** JAVA, PHP, C#, C, SQL, HTML, CSS, JavaScript
- **Platform:** MySQL, Git, AWS, Andriod Studio, Linux
- **Framework:** .NET MVC Core
- **Networking:** Switching & Routing and Enterprise Networking Concepts
- **Languages:** English(Conservant), Malay(Conservant), Chinese(Fluent), Cantonese(Native)
- **Certifications:** Introduction to Networks (CCNA), Microsoft Office Specialist: Access (Office 2016), Microsoft Office Specialist: Associate (Office 2019)
